

Jules TUB

KIMBERLEY'S CUTEST COUPLE

Tub and Jules were lucky enough to go on the trip of a lifetime this June, to Royal Ascot in London to watch 'Nature Strip' win the Kings Cup! Nature Strip is currently the World's fastest sprinter and Jules Dad has a share in this chestnut beauty! After rubbing shoulders with Royalty at Ascot, they also managed to get invited to a Scottish Wake, witness a shooting in London, (Tub kept a beer in his hand during said shooting) and visit a Turkish Bazar in Istanbul! Lots of stories to tell you on your next visit to Kimberley Coastal Camp!
